

Merrimac Dog Training Center
is pleased to offer a mini-seminar series
AKC Scent Work: Odor Skills
with Beth Ann Sabo, CNWI

Beth Ann has trained obedience since 2006, K9 Nose Work® since 2011, and is a CNWI, CPDT-KA, & AKC CGC Evaluator. She holds advanced degrees in biology and liberal studies, and lives on Virginia's Eastern Shore. BA is proud to have students at all levels in both NACSW and AKC trials.

4-week series: January 14, 21, 28 & February 4, 6-730pm, \$100*

*No discount vouchers allowed for this series. Audit: \$60.

Refunds available only if your position can be filled.

Limited to 12 working teams. Auditors unlimited.

Class description: Watch your dog learn to problem-solve searches in a variety of elements, including containers, interiors, exteriors and buried hides. You'll develop your own handling skills to improve your support of your search dog. Birch, anise and clove will be trained in this class.

Class pre-requisites: Dogs must be on birch and have completed Intro to Odor to attend, or by permission of instructor.

Contact BA to reserve your place - bethann@easternshoredog.com.
