COVID19 RULES AND POLICIES

MASKS. In following the guidelines from the CDC and governor, for **Fully Vaccinated** attendees, masks are optional. For unvaccinated attendees, masks are strongly encouraged. This policy may become more restrictive as the trials draw closer if COVID numbers or guidelines change.

CRATING will be available indoors, but chairs may not be permitted if space is needed for other exhibitors to crate during the warmer temperatures. If asked to remove your chair to allow for other exhibitors to have crating space, you must comply with trial staff requests. You may also choose to work from your own car.

We may use apps (like Remind) for updates during the event weekend. More information will be available in the final confirmation.

Everyone attending the event will be required to sign a COVID19 Waiver after closing agreeing to MDTC COVID19 policies listed in this premium as well as any new policies that may arise due to a change in the local or national COVID19 situation. A link to this waiver will be included in final confirmations. Failure to sign this waiver will result in forfeiting your runs without refund.

Exhibitors not staying to work are encouraged to leave after their runs. Ribbons/labels will be made available near the end of each class for pick up.

DO NOT attend these events if you are not willing to follow these and other COVID19 guidelines including those from the VDH and CDC. The club may alter these based on the situation at the time of the event.

You WILL NOT attend these events if you are unvaccinated and have been exposed to someone with COVID19 and have not quarantined for the recommended time after exposure (currently 14 days).

You WILL NOT attend these events if you have any symptoms of COVID19 including but not limited to fever, shortness of breath, loss of taste, pain/pressure in the chest.

You WILL NOT attend if you have been diagnosed with COVID19 and have not yet been released by government or health officials to resume normal activity.

IF you are exposed to or test positive for COVID19 after closing and must withdraw, your entry fees will be refunded.

STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area will be out of view of search area(s). Staging area will include crating, warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results.

Due to COVID19 The **Handler's Briefing** may take place virtually, online or in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. NO DOGS are to be present during the Handler's Briefing.

A **warm-up area** will be available consisting of ONE marked container of each odor being tested at the trial and may also consist of blanks containers. Exhibitors should limit their warm-up to (2) two minutes or less. The warm-up area is to be used exclusively for warming up the handler-dog team prior to their run, or for recovery after the run. The warm-up area is not for training or relieving of the dog.

SEARCH AREA AND RING CONDITIONS

Search area sizes will be in accordance with the Regulations for AKC Scent Work.

ADDITIONAL SITE INFORMATION

Trial Site. It is not appropriate to visit the trial location prior to the trial date unless you are enrolled in a class at MDTC or a club member. Many search locations are real-life environments, and such visits may risk the host losing the opportunity to use the location in the future.

Possession of Odors and Training. Chapter 5. Section 26 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Spectator Area. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. But MUST follow COVID rules. Handlers may not watch other exhibitors from their class prior to their run. No one outside the search area may assist the handler or disclose the location of the hide. Spectators who intentionally or unintentionally give aid to a team may be asked to leave the area by the judge. Spectators are forbidden to discuss details of the search until the completion of the class.

Crating space will be available on a limited basis. Priority on indoor crating will be given to workers. We will try to accommodate as many indoors in crating as we safely can. This may mean that we cannot allow chairs in the crating area due to space limitations. MDTC requires a tarp to be placed on the floor underneath your crates. Crates may be left overnight; however, MDTC will not be responsible for any lost or damaged items left at the show site.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

RIBBONS, AWARDS, AND PRIZES

Placement ribbons will be awarded in each class as follows:

<i>First Place</i>	<i>Blue</i>
<i>Second Place</i>	<i>Red</i>
<i>Third Place</i>	<i>Yellow</i>
<i>Fourth Place</i>	<i>White</i>
<i>Qualifying Score</i>	<i>Dark Green</i>

A **New Title rosette** will be awarded to all dog and handler teams finishing a title. Special rosettes for elite titles!

High in Trial & High Combined Division

Only teams who participate and qualify in all odor search elements offered (Container, Interior, Exterior and Buried), and qualify in each are eligible to win **High in Trial**. One You must compete in all 4 elements at the same level (ie: Advanced) to be eligible for HIT.

High In Trial winner is chosen per level; there is no separate High In Trial for the Novice A and Novice B sections.

The High in Trial is determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be summed and the faster-finishing team will win.

Teams winning High In Trial will earn a rosette.

All exhibitors should obtain a copy of the Regulations for Scent Work, by downloading them here: <http://images.akc.org/pdf/rulebooks/RSW001.pdf>

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. Merrimac Dog Training Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. Merrimac Dog Training Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Merrimac Dog Training Club or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical condition are eligible for a 75% refund with a signed note or email from your vet. Notification in writing must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

Bitches in season will be refunded the full entry fee. Notification in writing must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

RINGSIDE

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

EXHIBITOR CHECK-IN: Please check your dog in on the run boards for each of your classes at the beginning of each trial. Boards will be located near the staging location for the search areas.

Exhibitors MUST check-in for each class they are entered.

Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.
